CAPABILITY STATEMENT

About BMG

In operation for over 20 years, BMG Americas is an expert in providing specialized steel and other metal solutions to meet exacting specifications for military, construction, mining, transportation, and manufacturing projects. The company has been a strategic partner for industry leaders throughout the Americas. We focus on sourcing hard-to-find specialty steel products, including steel, stainless steel, aluminum, and alloy steel, in a variety of grades, sizes, and shapes. BMG Americas has a strong purchasing process aligned with a streamlined logistics process, creating a timely and efficient solution for our customers.
